## NATIONAL NIGHT OUT 2013

---

Dear business or Organization,

We would like to take a moment and invite you to come out and set up a booth at one of the most exciting local events hosted in Greene County. This year marks the 30<sup>th</sup> anniversary of National Night out and the 4<sup>th</sup> anniversary of our local National Night Out held August 6<sup>th</sup> 2013 from 5pm-9pm at Humphreys Park located in Linton, Indiana.

Families from all across Greene County will be coming out and seeing your business/organization at work supporting your community and local first responders. What a great way to advertise or promote what your organization/business is about first hand to thousands of people from all across Greene County in one day.

The goal of National Night Out is to have an opportunity for our County to promote police-community partnerships, crime prevention, and neighborhood camaraderie. National Night Out represents the kind of spirit, energy and determination to help make neighborhoods a safer place year round. Finally it sends a message to criminals letting them know that neighborhoods are organized and fighting back.

This event is completely free to all those that attend therefore we respectfully ask that everyone refrain from selling items at the event. However, feel free to use this as a form of advertisement for your business, service or organization. Many vendors have interactive activities that the children/families are able to participate in or organizations to do membership drives as well. There will be live entertainment, jump houses for children, food, prizes and much more. Last year we had around 4000 people show up and at least 55 vendors. So far each year we have doubled or tripled our turnout from the previous year.

Once your registration is received you can expect a confirmation letter closer to the date which will explain in more detail the actual event, rules and parking. Should you have any questions please feel free to contact: Troy R. Jerrell (812)847-4411 Linton Police Department. Please return the attached application at your earliest convenience.

Thank You!

### Wondering how you can be a part of NNO

Or what you or your organization/business can do? Here are just a few ways you can be a part of NNO. You are in no way limited to these, they are just some ideas you can use/change or make your own.

Remember for each person to be eligible for a prize they must register to get his/her tickets to drop in the bucket for that prize. Each person then has to go to each individual vendor location to be signed off that they were there. This helps insure each vendor/business/organization gets their share of people coming to their location.

- 1) Hand out flyers/information about your topic/business.
- 2) Restaurants can hand out samples of their food items (limited space may be available in the food hut so we will need to know in advance)
- 3) Donations! This event is totally funded by donations and cannot exist without them.
- 4) Demonstrations of your products or your specialty
- 5) Employees/members in your uniform helping
- 6) Have some game or some kind of activity. Remember there will be lots of kids there and kids love games and activities.
- 7) Purchase a National Night Out T-shirt, all NNO shirts sold will have a list of our sponsors/donors on the back. We guarantee there will be at least 100 shirts purchased and for the price of a T-Shirt your name/company/organization gets put on the back of every shirt sold.
- 8) Youth organizations don't forget a great way to try and show off what you do and try to recruit more members.

#### REMEMBER:

50% of the attendees are children therefore all information HAS to be appropriate for all children.
